What the Papers Say.

The people of Indian Territory
do not worry—they are not go-
to be thrown into the sister-
hood of states as a part of Okla-
homa like a piece of raw meat thrown
to a hungry tiger. Congress is not
going to do any statehooding at
a session—especially in the case
of Indian Territory.—*Des Moines*
erald.

Senator Quay is said to be hope-
ful of getting New Mexico and Ariz-
ona admitted this winter, and of
defeating the plan to unite Okla-
homa the Indian Territory. Quay,
however, may be bluffing. He
knows he will need a good many
republican votes to carry his propo-
sition, even if the solid strength
of the democracy is cast on his
side. There is no good reason to
suppose that many republicans
will break away from their party
on this proposition. The state-
hood fight threatens to be so fierce
that all the territories may have
to remain in their present stage
for another year. This will be un-
fortunate, so far as regards Okla-
homa and its neighbor on the east.
The republicans will make a
strong effort to join those territo-
ries and let them into the Union.
Sooner or later they will succeed
in this endeavor.—*Globe Demo-*
crat.

A Liberal Offer.
All our former readers should take
advantage of the unprecedented club-
bing offer we this year make, which
includes with this paper the Live
Stock Indicator, the Special Farmers'
Institute Editions and the Poultry
Farmer. These three publications are
the best of their class and should be
in every farm home. To them we add,
for local, district and general news,
our own paper, and make the price of
the four only \$1.25. Never before was
so much superior reading matter of-
fered for so small an amount of
money. The three papers named,
which we club with our paper, are
well known throughout the West, and
commend themselves to the reader's
favorable attention upon mere men-
tion. The Live Stock Indicator is
the great agricultural and live stock
paper of the West. The Poultry
Farmer is the most practical poultry
paper for the farmer, while The
Special Farmers' Institute Editions
are the most practical publications
for the promotion of good farming
ever published. Take advantage of
this great offer, as it will hold good
for a short time only. Samples of
these papers may be examined by call-
ing at this office. wtf

JOIN THE CROWD.

The New Northwest is increasing from
immigration, by 300,000 people yearly.
This region offers a field for farmers,
stock raisers, miners, lumbermen, mil-
lers, fruit growers, and all classes of
labor. The Cody-Wyoming extension
into the Big Horn Region offers a splen-
did opening for the live stock and wool
business and for farming by irrigation.
The industrial expansion that is now
the basis of wealth in the East, will be
repeated in the Northwest. Give some
thought toward a home in Nebraska or
Minnesota, the Dakotas, Montana, North
western Wyoming, Northern Idaho,
Washington, the Puget Sound and Col-
umbia River region.

Northwest Train to Take.

"The Burlington-Northern Pacific Ex-
press" is the only through train into the
Northwest territory in connection with
the Northern Pacific Railroad. Through
coaches; chair cars (seats free); through
tourist sleepers over this short line and
time saver to the Northwest. Connect-
ing train from Denver to Alliance in
connection with this great through train.
You can reach the Northwest either via
Kansas City, St. Joseph or Denver, by
the Burlington Route.

To the North.

The Burlington has two trains daily to
St. Paul and Minneapolis, reaching the
valuable territory of Minnesota and the
Dakotas traversed by the Northern Pac-
ific and Great Northern Railroads. The
Burlington is the main traveled road to
the Northwest and North. Investigate
the Northwest by addressing either the
Industrial Departments of the Great
Northern or Northern Pacific Railroads
at St. Paul, or the undersigned.
